# Countable and uncountable nouns

1. Write the correct form of the word in brackets.

a) Many (tourist) visit Paris every year.

---

b) It took two (year) to complete construction on the Eiffel Tower.

---

c) They had to use (sand), (concrete) and (water) to build a stable foundation.

---

---

d) They had to gather a lot of (information) to make sure they build the tower correctly.

---

---

2. Underline the countable nouns in the first sentence of The History of the Eiffel Tower.

**The most popular tourist attraction in Paris has stretched to the Parisian skies for 127 years.**

3. Write down one uncountable noun in the following sentence.

**The most popular tourist attraction has stretched to the Parisian skies for 127 years.**

---
