

# Write and present activity 1

Date: \_\_\_\_\_

## Write and present

Write a paragraph to express YOUR opinion about international travel.

Your paragraph must have 60 - 80 words.

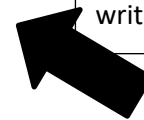

Remember to use the writing process.

Here are some things for you to think about:

- ⚡ Why is it good/ bad?
- ⚡ What are some of the things to consider when you want to travel overseas?
- ⚡ Is it safe?
- ⚡ What are some of the dangers?
- ⚡ Would you rather stay in your own country, why?
- ⚡ Anything else that you might think of.

Don't answer these questions directly like we do in a test. These questions are to help you create an opinion to enable you to write a good paragraph.

**Remember this is YOUR opinion not someone else's. Give us details about why you feel this way about international travel; try to make us see your point of view.**
